

Dear Family,

Attached to this letter is the timetable for the Cohort 11 IN-CLASS ASSESSMENTS that will be taking place over the next few weeks. Please note that there has had to be a small adjustment to the timeline that I originally shared with you as a result of C10 assessments running during this period and the strain that this has placed on resources.

I will also be in a position by the end of this week to share with you the timetable for the assessments that will be taking place in the exam hall.

I am pleased to say that there will be support sessions running during the Easter holidays and again I should be able to share this timetable with you shortly.

If you have any questions or require any clarification please do contact me.

Yours sincerely

Mr S Hall

Cohort Leader C11
