

13th September 2019

Dear Parent/Carer

RE: Cohort 7 trip to Danbury Outdoors - Tuesday 24th September 2019

I hope this letter finds you well and your child has been enjoying their start to Honywood. I have been really pleased to see how the Cohort has made the adjustment to secondary school. I wanted to take this opportunity to bring your attention to further details regarding the trip to Danbury Outdoors.

On **Tuesday 24th September** Cohort 7 will visit Danbury Outdoors Centre. The day follows normal school times, therefore, learners can take their normal route to school providing it gets them into the school building at 8:45am. We will return to Honywood by 3.20pm so learners will be able to return home as they normally would. Due to the nature of the activities that learners will be participating in, we ask that learners wear their Honywood PE kit.

- Honywood PE top
- Honywood PE jumper
- Honywood PE shorts or suitable tracksuit bottoms
- Trainers

Learners will also need to bring with them a packed lunch and bottle of water as well as any other appropriate clothing depending on the weather. Please ensure that all items of clothing are clearly marked with your child's name. Learners are not allowed to bring their iPads with them to Danbury and we advise they leave all valuable possessions, including mobile phones at home, to avoid any such items being lost.

We look forward to seeing them enjoy their first outdoor team-building day.

Yours sincerely

Ms A Martin
Cohort 7 Leader
